ALLERGENS & OTHER IMPORTANT INFORMATION

**Our pizza dough is Vegan Friendly and can be topped with vegan cheese – please request with your server
All our pizzas can be made on Gluten Free bases *while taking care to prepare with separate utensils, please note that this is a
flour environment.*

**A list of allergens pertaining to all our menu items are available through the QR code*

**Our Soups and sauces are gluten free and some of our other dishes can be made gluten friendly, please ask your server*

**Some of our dishes can also be made Vegan Friendly (we make our own Vegan Friendly bread). Please ask your server*

**Please note due to health and safety reasons we do not permit alcohol to the front of the building*

**We are a dog friendly establishment. If you are the owner, we ask you to keep your dog on a lead at all time, do not
permit them on the furniture and that if they bark, you take them outside*

**Unfortunately, we cannot split bills unless the bill is divided evenly amongst the group. Individual requests for specific
payments from groups are time consuming and often frustrating for other waiting guests and we would ask that if you
need to split your bill, that it is done evenly or amongst your group before paying.*
